All wines are directly imported from France; Burgundy, Rhone, Bordeaux, Loire, Alsace and Languedoc – Roussillon with the intention of offering both quality and value. Many are produced organically or bio-dynamically and are marked with **.

Our wine producer friends in France have also been in our thoughts following severe spring frosts that were declared the ‘agricultural disaster of the 21st century’. Heavy frost affected up to 80% of French vineyards in almost every region. I fought hard for allocations, but many are smaller than in previous years, and unfortunately, we have seen some price rises, especially in Burgundy.

Generally speaking, in Burgundy, cooler microclimates have done very well, and I have sought many new wines from outside the classic like St Aubin, Hautes Cotes, Auxey Duresses, St Romain, Marsannay, Givry, and Macon, among many more. With such a large list I have marked a few of my “Coup de Coeur” ❤️!

We have also imported a selection of excellent South African, Italian, and Spanish wines, all of which are well worth trying. The wines are chosen to deliver a good blend of quality at excellent prices.

Spending is no guarantee of quality; however, careful tasting is!

*113	VOSNE-ROMANEE Domaine Forey Forey's Vosne-Romanée is notably silkier and more elegant than his other village wines. Produced from fourteen small parcels planted between 1942 and 1974. It is aged in a combination of demi-muids and smaller barrels. What it lacks in flesh it more than compensates for in its mineral drive, and its tight-grained tannins counterbalance the fruit's suaveness with an appealing hint of austerity. 40% whole clusters. 92/100	2019	56.00 Bin 454 Mag 100.00	320.00	x

Jura - Domaine Grand

The Grandes have been winemakers from father to son since 1692. Today, it is Emmanuel and Nathalie who manage the 10.5 ha of vines in the Jura. Together, they practice organic and bio-dynamic farming. Having tasted the wines with one of Frances top sommelieres, the wines were a must buy for both the quality and value.

The local grape varieties mingle with those of the relatively nearby Burgundy, such as Pinot Noir and Chardonnay. But Jura's wines owe their originality and reputation to their native varieties Poulsard, Trousseau and Savagnin and to their very distinctive, evolved, sometimes even oxidized character. The famous yellow wines, aged for six years years under a film of yeast are in this category. "Vin de paille" or "straw wine" is also one of the Jura's great traditions. "Vin de paille" or "straw wine" is another of the Jura's specialities.
